

The background of the page is a photograph of a brown paper gift bag. The bag is overflowing with a bouquet of pink and light pink roses. A light blue and white striped ribbon is tied around the neck of the bag. In the foreground, there are decorative elements: a heart-shaped paper cutout with a blue and white geometric pattern, a small wooden ball, and some dried floral sprigs. A white circular overlay is centered on the bag, containing the text "MOTHER'S DAY PACK".

COLOUR GRADING HEARTS

LOVE PANCAKES

Ingredients

- 2 eggs
- 2 teaspoons white sugar
- 1 pinch salt
- 2 cups all-purpose flour
- 2 teaspoons baking powder
- 2 cups milk
- Red food colouring

Method

1. Beat eggs until fluffy; beat in sugar and salt. In a separate bowl, stir flour and baking powder together. Stir milk and flour mixture alternately into eggs, starting and ending with milk.
2. Divide into 2 bowls, to one bowl add red food dye drops (or paste) in order to get the color you wish to have.
3. Heat a lightly oiled griddle or frying pan over medium high heat. Pour or scoop the batter onto the griddle, using approximately 1/4 cup for each pancake.
4. Cut a heart out of the center of each pancake using a two-inch heart-shaped cookie cutter.
Place a red mini-pancake heart in the center of each white pancake and a white mini-pancake heart in the center of each red pancake. Serve warm with maple syrup.
