WEEK 2020
PACK

A BRIEF HISTORY

National Reconciliation Week occurs between 27 May and 3 June. This year's theme is: "In this together".

National Reconciliation Week began in 1996. It provides the opportunity for all Australians to celebrate Indigenous History and Culture, and to explore how each of us can contribute to achieving reconciliation in Australia. Especially significant, is that 2020 marks twenty years since 250,000 Australians walked across the Sydney Harbour Bridge, and across bridges in all capital cities, for Reconciliation.

The dates for NRW remain the same each year; 27 May to 3 June. These dates commemorate two significant milestones in the reconciliation journey– the successful 1967 referendum, and the High Court Mabo decision.

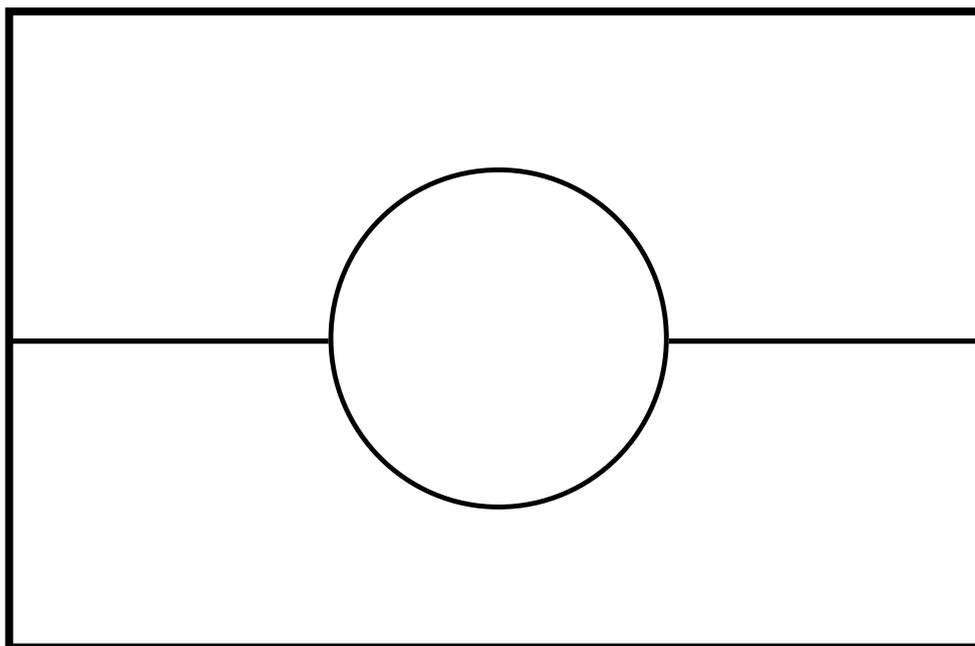

Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples.
